Attention: Kevin McAlister, Public Works Director

Subject: **Notice of Preparation of the 2010 City of Hanford Urban Water Management Plan (UWMP)**

Dear Mr. McAlister:

Pursuant to the requirements of the California Water Code, Division 6, Part 2.6 Urban Water Management Planning, Section 10621 (b), every urban water supplier required to prepare a plan pursuant to this part shall, at least 60 days prior to the public hearing on the plan required by Section 10642, notify any city or county within which the supplier provides water supplies that the urban water supplier will be reviewing the plan and considering amendments or changes to the plan.

This letter is intended to notify your agency that the City of Hanford (City) is in process of preparing the 2010 UWMP. Based on the City's current schedule, we expect to have a public review draft of the 2010 UWMP completed by late May or early June 2011, at which point your agency will receive a notification letter that the draft UWMP is available for public review.

If your agency would like to submit comments or provide input to the City in anticipation of the development of the 2010 UWMP, please submit written copies to:

Johnathan Doyel, Deputy Public Works Director
City of Hanford
900 South 10th Avenue
Hanford, CA 93230

Sincerely,

Johnathan Doyel
Deputy Public Works Director

Commitment to Distribute the 2010 Urban Water Management Plan

The documentation currently included in this appendix satisfies California Water Code parts 10621(b) and 10642.

Two other sections of the California Water Code specify UWMP documentation that must take place after the submission of the supplier's UWMP to the DWR. These parts are as follows:

- Part 10644(a), requiring documentation that within 30 days of submitting the UWMP to DWR, the adopted UWMP has been or will be submitted to the California State Library and any city or county to which the supplier provides water.
- Part 10645, requiring documentation that the supplier will make the UWMP available for public review no later than 30 days after submission to DWR.

In order to satisfy these requirements, the City will perform the following actions:

- The City will submit its 2010 UWMP to the California DWR on **July 8, 2011**.
- The City will send a printed and/or electronic copy of its 2010 UWMP to the California State Library and to the cities and counties within which it provides water. The City will do this no later than **August 7, 2011** (30 days from filing with the DWR).
- The City will make their 2010 UWMP available for public review no later than **August 7, 2011** (30 days from filing with the DWR).
